The Ghoukassian family is one of the most respected forces in the dining landscape of Orange County. Their restaurants, Bistango in Irvine and the waterfront Bayside in Newport Beach, have earned legions of loyal guests through the years by continually reinventing themselves – both aesthetically and by staying on top of culinary trends. Bayside is a contemporary dining establishment with an extensive menu emphasizing fresh seafood. The 246-seat restaurant features design elements that showcase an ever-evolving fine art exhibition. Bistango has been in business for 28 years and throughout these years, has gained a significant following throughout the OC community. Bistango has been host to many charitable events and activities and is now venturing into other forays to benefit the community, such as a newly opened local art exhibit.

The Dining As Art Collection is comprised of Bistango and Bayside restaurants, Bayside Catering Co. and our exclusive online Boutique. Each offers a unique, culturally enriching experience that celebrates the enjoyment of food, wine, music, art and architecture. Whether you are hosting a wedding, business engagement, social gathering, fundraiser or gala, our experienced staff of consultants will assist you throughout the planning process for your on- or off-site event. *For additional information, please contact Cameron at [Cameron@DiningAsArt.com](mailto:Cameron@DiningAsArt.com) or 949.642.5222.*
