The Return of Chef Montoya at Bistango - Irvine

After a three year absence, we are pleased to report that Chef Javier Montoya has made his way back to this Irvine kitchen. With stints at Bayside and Mariposa, chef's experience is updating the cuisine Bistango is best known for. Order their refreshing pickled watermelon salad, savory Kobe and black truffle ravioli, or (our favorite) delicate yellowfin tartare with spicy lime ginger vinaigrette. For something less formal, their happy hour selection is a home run. *19100 Von Karman Ave, (949) 752-5222; www.bistango.com.*
